

Seasons Greetings to all of our National City employees and volunteers. I'm grateful to all of you for the work that you do and commitment you have to our community. In 2019, we accomplished so much through a leadership change and our voyage through the 7 Cs! I hope all of those that have the furlough time during the holidays will get the rest and personal time needed to start 2020 with the energy we saw in 2019. Let's do our best to keep

up our commitment to customer service and newly adopted strategic plan. We also give special thanks for those first responders and others that need to keep us safe during this busy holiday season. Thanks for everything you do!

Kimball Holiday

The holidays were kicked up a notch this year with an amazing Reindeer Dash, Community Breakfast and A Kimball Holiday! There were over 5,000 attendees enjoying sledding, ice skating, dancing, pictures with Santa, a Ferris wheel, community performances and more. Great work Community Services and Public Works for hosting such an awesome event for our community.

Wishing Alfredo Ybarra a Happy Retirement

Alfredo was born and raised San Diego and graduated from Morse High School. He attended Cal State University Long Beach with a full athletic scholarship.

Alfredo began his housing career in 1978 in Long Beach while involved in a political campaign. After the political campaign had concluded, Alfredo along with two VISTA volunteers developed a nonprofit to educate residential tenants on their legal rights under State law. Alfredo's career in housing spans over 41 years. He spent 18 years with County of San Diego, 11 years with non-profits (including 8 years with the MAAC Project), and nearly 12 years with City of National City. We wish Alfredo well in retirement and thank him for his commitment to bettering the lives of so many.

Vice Mayor Mona Rios

Councilmember Mona Rios was selected as the new Vice Mayor of National City at last night's council meeting. Vice Mayor Rios has served on the City Council for 10 years and will back up the Mayor as needed. We are grateful to the entire City Council for providing the leadership and community support that allows us to provide the high level of customer service to our community.

Employee of the Quarter

Scott Robinson- Fire Captain was recognized as the Employee of the Quarter of the fourth Quarter of 2019. Captain Robinson, in an effort to better serve our residents, developed and implemented a first of its kind flu vaccination program that makes flu vaccines available, free of charge, to all National City residents. Congratulations to Captain Robinson for identifying a need in our community and working with regional partners to bring it to light.
